RENEWED PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION [37 CFR 1.137 (b)]

Sir:

In their "Decision on Petition Under 37 CFR 1.137(a)" (Paper No. 6, dated December 8, 2003), the Office of Petitions "dismissed" Applicant's "Petition to Revive". The Office of Petitions was of the opinion that Petitioner had failed to establish an "unavoidable" delay, as required by 37 CFR 1.137(a).

Further, the Petitions Office suggested that Petitioner file a new Petition to Revive, based on unintentional abandonment under 37 CFR 1.137(b). A "grantable petition" pursuant to 37 CFR 1.137(b) must be accompanied by a required reply (i.e., a drawing requirement) set in the "Notice of Missing Parts", the required petition fee, and a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Attention is drawn to the Decision, and a suggestion that the Petition previously considered lacked certain items. (Decision, Page 2, first Paragraph, and footnote No. 2)

Attached hereto is a copy of a "Response to Notice to File Missing Parts of Nonprovisional

03/04/2004 AWONDAF1 00000078 09846933

01 FC:2453

Application", which Applicant transmitted to the Patent Office on October 30, 2001 using the Certificate of Mailing procedure. The Response transmitted a signed Declaration and a check to cover the fees therefor. A copy of the returned Postcard indicates that the Patent Office received the Response on January 15, 2002.

Applicant failed to submit substitute drawings, as required in the Notice.

In response to the helpful suggestions of the Office of Petitions, Applicant's submit this "Renewed Petition", pursuant to 37 CFR 1.137(b), and request that the application be revived as having been abandoned unintentionally.

Petitioner submits the following in support of this Petition:

- (a) substitute drawings, responsive to a requirement set in the "Notice", and
 - (b) a Petition fee in the amount of \$665.00 (Applicant is a small entity).

Although no other fee is believed due for entry of this Petition, or for entry of these drawings, the Patent Office is authorized to charge Deposit Account 50 - 2815 for any additional fee to enter this Petition.

Petitioner states that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

Upon receipt of the subject decision form the Office of Petitions, Petitioner did not delay but promptly filed this Petition.

By the steps taken herein, Petitioner has complied with each of the elements required to revive an application, unintentionally abandoned.

Accordingly, revival of this application is respectfully requested.

Respectfully submitted,
